WHO'S WHO—AND WHERE?

SUCH questions can **only** be answered by the **Directory** and that is where people look when they want to buy. Are **you** properly displayed therein to get the business?

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.

"Now, listen, friendly, you'll find me where
 "I'm not, and not a day;
 "I'm busy, and busy seems where
 "I'm not, and not a day;
 "I'm in the hole you want to meet,
 "And every place and street,
 "These look like the DIRECTOR—
 "You find them, none the less;
 "That body complete with a great care
 "For those who want to know;
 "You find them in the streets, and there

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*

MONTCLAIR

Most beautiful suburb of New York, pre-eminently desirable as a place for homes of refinement, whether of the wealthy or of citizens of average means—pronounced by a competent and distinguished critic as "foremost representative of the highest type of Christian civilization in the entire world."

Population about thirty-eight thousand.

Thirteen miles from New York and six miles from Newark.

Elevation from 300 to 500 feet above tidewater, commanding extensive view over the Metropolitan district.

Unsurpassed schools, excellent roads, police and fire protection, conservative, honest government, pure water.

Clubs, churches, parks, banks and institutions of the finest type to be found in any suburban community.

Transportation to New York by Lackawanna and Erie Railroads. Express commutation service of about twenty-five minutes to Jersey City and Hoboken, where transfer is made to ferries or Hudson tubes. Six stations in town limits, and a total of over 100 trains daily.

A fine Athletic Club with every athletic and social facility at very moderate family dues.

Half a dozen excellent golf links surrounding the town.

"WATCHUNG" AND "UPPER MONTCLAIR"

Excellent served by the Erie Railroad and having their own community life including schools, churches, stores, banks, parks, etc., these popular sections of the town offer the best opportunities for the homeseeker. Attractive houses (many of them new) both modern and of the older type, are to be had in great variety at reasonable prices.

BUY YOUR HOME

in Montclair with our unbiased and dependable assistance. We endeavor to maintain an enviable reputation for conservatism and reliability. Up to date and complete listings are at your service, backed by our experience and life-long familiarity with Montclair. If we cannot supply what you want we will make it our business to get it for you if it can be had.

BUILD YOUR HOME

in Montclair after consulting us regarding a home site. We know our territory as few people do, and will tell you the advantages and disadvantages of various sections. You will be the gainer for our unprejudiced advice on the subjects of location, value, restrictions, future development, etc. Good lots at reasonable prices are scarce. We know where they can be found.

RENT YOUR HOME

in Montclair through our office, if you are a stranger desirous of becoming better acquainted before purchasing. We negotiate scores of leases each year and provide just as efficient and courteous service as if you were buying. Many of our sales are made to former rental customers who have been glad to avail themselves of our services a second or third time.

REAL ESTATE INVESTMENTS

There are hardly any investments that are better when properly selected and wisely made, and few that are surrounded by more opportunities for misfortune when unwisely or too hastily selected. Draw a sharp line between the speculative buy that requires keen watching and experienced handling, and the conservative and profitable investment that will leave you with an easy mind.

Reference Advertising

HE who buys space in the City Directory buys advertising permanency. Every day thousands of business men all over the country search its classified sections to find where nationally advertised goods may be purchased. City Directory ("Reference") Advertising is the completing girder in the bridge between dealer and consumer, and should be part of all national and local campaigns.

New Haven,

By Van

"Who is the mayor of this town?
 "Who founded it, and when?
 "What is it gives it most renown?
 "Who are its Councilmen?
 "How has the population grown?
 "And will you tell me, please,
 "Some of the facts that are best known
 "About its industries?
 "Where shall I find the City Hall
 "And those who office hold?
 "Please name the nearest market stall
 "Where sauerkraut is sold.
 "Does Baxter Street run east or north?
 "Where is the City Jail?
 "And where does Uncle Sam hold forth
 "As guardian of the mail?
 "Where are the magistrates and courts?
 "When do the lodges meet?
 "Who keeps a file of stock reports?
 "Where's Kosciuszko Street?
 "Know of a man whose name is Burch,
 "Who paints and plasters walls?
 "Who preaches in the Baptist Church?
 "Who sells good overalls?
 "Where can I get an oyster stew,
 "Where buy imported rugs?
 "Who renovates the carpets? Who
 "Exterminates the bugs?
 "What car will take me to the zoo,
 "And public library?
 "How can I find my friend, Carew,
 "I've traveled miles to see?
 "Now, if you'll kindly put me wise,
 "And think me not a bore,
 "I shall esteem it very nice—
 "And ask you something more."

"Now, listen, friend, you'll ask no more
 "Of me, a tired cop;
 "I'm busy, and my semaphore
 "Is set, you see, at 'STOP'.
 "To find the folks you want to meet,
 "And every place and street,
 "Please look in the DIRECTORY—
 "You'll find it there, complete;
 "That book's compiled with greatest care
 "For those who want to know;—
 "You'll find one in the drug store, there;
 "Now, when I signal, GO."

DIRECTORIES AND REFERENCE MEDIA STANDARDS OF PRACTICE

ADOPTED BY THE DIRECTORY AND REFERENCE
MEDIA DEPARTMENTAL OF THE ASSOCIATED
ADVERTISING CLUBS OF THE WORLD

The publisher of a Directory or Reference Medium should dedicate his best efforts to the cause of business uplift and social service, and to this end should pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all Departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under such headings as best describe it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories and reference media contain; to study public needs and make directories and reference media to supply them; to revise and standardize methods and classifications so that what is wanted may be most easily found, and the directory and reference media be made to serve their fullest use as business and social reference books and directories of buyer to seller and seller to his market.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers as well as on the number of copies circulated.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. *To determine what is the highest and largest function of directories and reference media in public service and then to strive in every legitimate way to promote that function.*

Reference Advertising

HE who buys space in the City Directory buys advertising permanency. Every day thousands of business men all over the country search its classified sections to find where nationally advertised goods may be purchased. City Directory ("Reference") Advertising is the completing girder in the bridge between dealer and consumer, and should be part of all national and local campaigns.

"Who is the mayor of this town?
 "Who founded it, and when?
 "What is it gives it most renown?
 "Who are its Councilmen?
 "How has the population grown?
 "And will you tell me, please,
 "Some of the facts that are best known
 "About its industries?
 "Where shall I find the City Hall
 "And those who office hold?
 "Please name the nearest market stall
 "Where sauerkraut is sold.
 "Does Baxter Street run east or north?
 "Where is the City Jail?
 "And where does Uncle Sam hold forth
 "As guardian of the mail?
 "Where are the magistrates and courts?
 "When do the lodges meet?
 "Who keeps a file of stock reports?
 "Where's Kosciuszko Street?
 "Know of a man whose name is Burch,
 "Who paints and plasters walls?
 "Who preaches in the Baptist Church?
 "Who sells good overalls?
 "Where can I get an oyster stew,
 "Where buy imported rugs?
 "Who renovates the carpets? Who
 "Exterminates the bugs?
 "What car will take me to the zoo
 "And public library?
 "How can I find my friend, Carew,
 "I've traveled miles to see?
 "Now, if you'll kindly put me wise,
 "And think me not a bore,
 "I shall esteem it very nice—
 "And ask you something more."

"Now, listen, friend, you'll ask no more
 "Of me, a tired cop;
 "I'm busy, and my semaphore
 "Is set, you see, at 'STOP'.
 "To find the folks you want to meet,
 "And every place and street,
 "Please look in the DIRECTORY—
 "You'll find it there, complete;
 "That book's compiled with greatest care
 "For those who want to know;—
 "You'll find one in the drug store, there:
 "Now, when I signal, GO."
